

Bret Younger Memorial Track Scholarship

Background:

The Bret Younger Memorial Track Scholarship was established in loving memory of Bret Younger, the Executive Program Director of the Appleton YMCA and Fox Cities Marathon Director. Bret loved the sport of track, running throughout school and college. In part, this influenced him to pursue a degree in recreation with the dream of working for the YMCA. Working for the Y was a calling for Bret. He would often say there wasn't a better job because everyone was always in a good mood when they came to the Y! Through his work he enjoyed the people and the community involvement. He organized running events, oversaw youth sports programs and served the dual role of being the Fox Cities Marathon Race Director for 5 years. A man of integrity,

Bret held firm in his beliefs, often saying, "the right choice is not always the easiest choice;" "the best way to judge the success of a YMCA youth program is if the children return the following year;" and "winning is not always the ultimate goal, learning the skills and having fun are more important."

In 2003, at the age of 41, Bret lost his life in a car accident on his way to work. Besides his work, his most important roles were that of a loving husband and father of three. All three of his children ran throughout high school and this scholarship keeps his memory alive until he's reunited with those he loves, in heaven.
