

## Jack Wippich Memorial Scholarship

### Background:

Upon entering the Kimberly High School Field House, one notices the large, unique signatures decorating the floor. They were placed there to identify the Jack Wippich Court and to identify the man who contributed so much to the school and its programs. Jack Wippich is remembered, respected and recognized for greatly inspiring students, athletes and peers during his thirty years of being part of the Kimberly School District.

Jack believed that all desirable human characteristics could be learned and strengthened through participation in team sports: self-discipline, trust, goal setting, respect, unselfishness, perseverance, and humility. He grew up developing these behaviors in gymnasiums and on sports fields from the time he

was a second grader at St. John Grade School in Menasha. He participated in multiple sports during his years at Menasha High School and at the University of Wisconsin, Oshkosh and all of the summers in between. Always positive and enthusiastic, he coached multiple sports teams during his entire teaching career and even into his retirement. Jack loved children and loved games and thought that putting them together made a wonderful learning environment. This scholarship was established by Jack's loving family after his death in 2005.
