Due to the extremely generous support provided by this scholarship we would like to ask that the recipients keep the Community Foundation updated after college graduation. The Community foundation requests to receive periodic updates to share with the donor, as to how this scholarship may have made a difference in the recipient's lives.

Award Amount:

Number of awards may vary. Award will consist of a scholarship based on need at the college or university chosen by the student, for tuition, books, room and board, at no more than the current cost of campus housing, net of all other grants, aid or scholarships, not to exceed \$25,000 in any school year, for up to a maximum of four years.

Incidental charges, fees and expenses, including but not limited to travel or study at other institutions will not be part of this award, except for students attending programs sponsored by their college or university at different campuses or institutions, for no more than one semester during their four years of study. During that time the student may maintain their scholarship at the same level and subject to the same limitations as the amount they would have received for that semester at the school of enrollment.

Selection:

Recipients are recommended each spring by the Music Scholarship Selection Committee within the Community Foundation for the Fox Valley Region.
