

Chilton Area Community Foundation John Adema Memorial Scholarship

Background:

John "Coach" Adema (1936-2013) was the ultimate ambassador to the game of soccer. Through his 56-year soccer career, John taught life skills, developed lifelong friendships and helped many, young and old, become better people. John's impact on the people he met was great and his legacy will endure through this scholarship. John and his brother came to America from Franeker, Netherlands on a ship called the Seven Seas when John was 19. It took 10 days to reach New York from their war-torn homeland of Holland. They traveled by train to Fond du Lac, WI to be with their uncle. Reaching America was one dream come true. Meeting Helen was his second dream come true.

John married Helen in 1957 and they settled in Sheboygan, WI. John worked at Kohler Company for 12 years, where he learned most of his English. He then left Kohler for Lee Realty to get back into carpentry, his profession in the Netherlands.

John Adema was integral in the development of soccer in Northeast Wisconsin. John played a role at every level of the game throughout his long career. He started the Marian University soccer program in 1983 and won Lake Michigan Conference Coach of the Year honors in his second season. He was also the longest-tenured men's soccer coach in St. Norbert College history and was named the conference coach of the year in 1994. He coached at the high school level in Kiel, New Holstein, Stockbridge, and Cedar Grove-Belgium high schools. He was a coach for the Olympic Player Development Program and was also active in youth soccer programs, starting youth clubs in New Holstein and Kiel. John was inducted into the Wisconsin Adult Soccer Association Hall of Fame in 1989 and the first soccer coach to be inducted in the Lakeshore Sports Hall of Fame in Manitowoc in 2007. He played soccer with the Sheboygan Sports Club, Appleton Bombers, Fond du Lac Express and played competitively until he was 55 years old and coached right up until his passing at age 76.

John built the concession stand and bathrooms at the Kiel Soccer complex, donating all his labor. He built the original dugouts, player benches and spectator seating. The building was dedicated and named after him in 2003. John believed that soccer was a lifelong skill and he wanted to make sure students who learned soccer at a young age would carry it with them well past their high school years.
