

The Doug & Carla Salmon Foundation Scholarship For Students Attending UWO-Fox Cities Campus

Background:

The Salmons moved to Appleton in 1972 to work in the medical field and raise their two children. In the late 1990s, Doug and Carla began to explore ways to give back to the community that had been so good to them. They concluded that the most meaningful work they could do would be to offer a helping hand to worthy students.

In 1999, they began to provide scholarship assistance to highly motivated college students who need financial assistance. By 2002, the Salmons were working with foundations at UW-Fox Valley, Fox Valley Technical College and UW-Oshkosh to provide scholarships. Lakeland University students have also benefitted.

In 2002, Doug and Carla formed the Doug & Carla Salmon Foundation, a supporting organization within the Community Foundation for the Fox Valley Region. Through this partnership, they are able to fulfill their passion for sharing with others for generations to come. Doug passed away in November 2017, and The Doug & Carla Salmon Foundation Scholarships are his living legacy that will continue to help students in the future.
